Living Waters II

Releasing Kingdom Creativity

Hear the wave of a new sound of rushing waters flowing from heaven to earth, capturing anything in its path. This mighty flow will carry us to deeper waters of creativity and oceans of spontaneous praise. Then God will settle us in islands to impart and release Kingdom Creativity.

*For the Lamb at the center of the throne will be their shepherd;
He will lead them to springs of Living Water. Revelation 7:17*

Come, let Him lead us to streams of Living Water.

August 22-24, 2008

Inner Change Ministries

Shawn & Kelly Driggers

From beautiful Shellman Bluff in McIntosh County, Georgia, Inner Change draws from the strongest ministries in God's Kingdom, combining spiritual forces to project the power of God. They host these alliances in conferences, schools, and special events to equip the body of Christ. Especially emphasizing worship, they connect worship leaders with hearts hungry for the presence of God.

A special thank you to Keith Smith and Providence Worshipping Arts Center of Jesup, GA, who freely offered to serve for the advancement of the Kingdom.

In August, 2001, we held the first Living Waters Conference, which was a call to prophetic creativity. Now exactly seven years later, Living Waters II is direct access to the new art forms from the throne, releasing the glory of the Kingdom on earth as it is in heaven. Come, and be refreshed in the springs of living water!
